

About Spirit of Relaxation

I use my products to pass on my experience in the area Yoga, Tai Chi and relaxation techniques.

I do Yoga since around 30 years, finished my Yoga instructor course in 1996 and my Yoga Therapy training in 2005. I practice Tai Chi since 1997, do regularly attend seminars on the subject relaxation and I am a student of Sukumar.

Relaxation

is the key to a life full of

- **calmness,**
- **awareness,**
- **vital power,**
- **creativity and**
- **joy of life.**

But our time is full of hectic, everything must happen quickly, needs to be perfect and so it becomes more difficult to become and stay relaxed.

My products allow you to experience and lean methods of relaxation and make relaxation part of your daily life. No time constrains, no location constrains - wherever you are and need or want to do something for yourself.
